

# THE TECHNIQUE OF INSTRUCTION

Training means instructing cadets in military skills. This is an art which must be mastered, if the interest of cadets is to be maintained in any subject over a period, so that they learn effectively.

**EVERY INSTRUCTOR MUST, KNOW THE SUBJECTS IN WHICH HE IS GOING TO INSTRUCT.**

## *Look*

Look at the members of the class or squad the whole time.

## *Speak*

Speak to individuals, particularly those at the back, and not to the ceiling or walls.

## *TALK*

Vary the pitch of voice and speak loudly and clearly without shouting.

## *Avoid*

Avoid mannerisms of speech and movement.
