

AIMS AND TYPES OF PATROLS WORKSHEET

1) Which of these is not an aim of patrolling?

- To obtain up-to-date and accurate information as a result of which a commander can plan an operation.
- To dominate the ground between a commander's own unit and that of the enemy, thus making it easier and safer for his own patrols to gather information and more difficult for the enemy patrols to achieve similar results.
- To interrogate POWs and gain information by methods that the Genève Convention would class as unlawful.
- To destroy and disrupt enemy forces, particularly those which may try to infiltrate the commander's own positions or between neighboring positions.
